

GOOD TIMES - COMPUTER TIMES

DANGERS ON COMPUTERS!!!!

Hello everyone did you know the Computer Club was on every Wednesday. I learnt new things every week about dangers on the internet. It was fun. I had a good time. I learned a lot from the computer club and I made new friends all thanks to computer club. So if it starts again be the first to get your name down.

I went on some amazing sites that Mrs Watson told us about at the club.

One of the sites was Grid Club.

You got to build your own site and make your own sweetie wrapper. You can read all about the Characters one of them was Chloe she was interesting and exciting!!

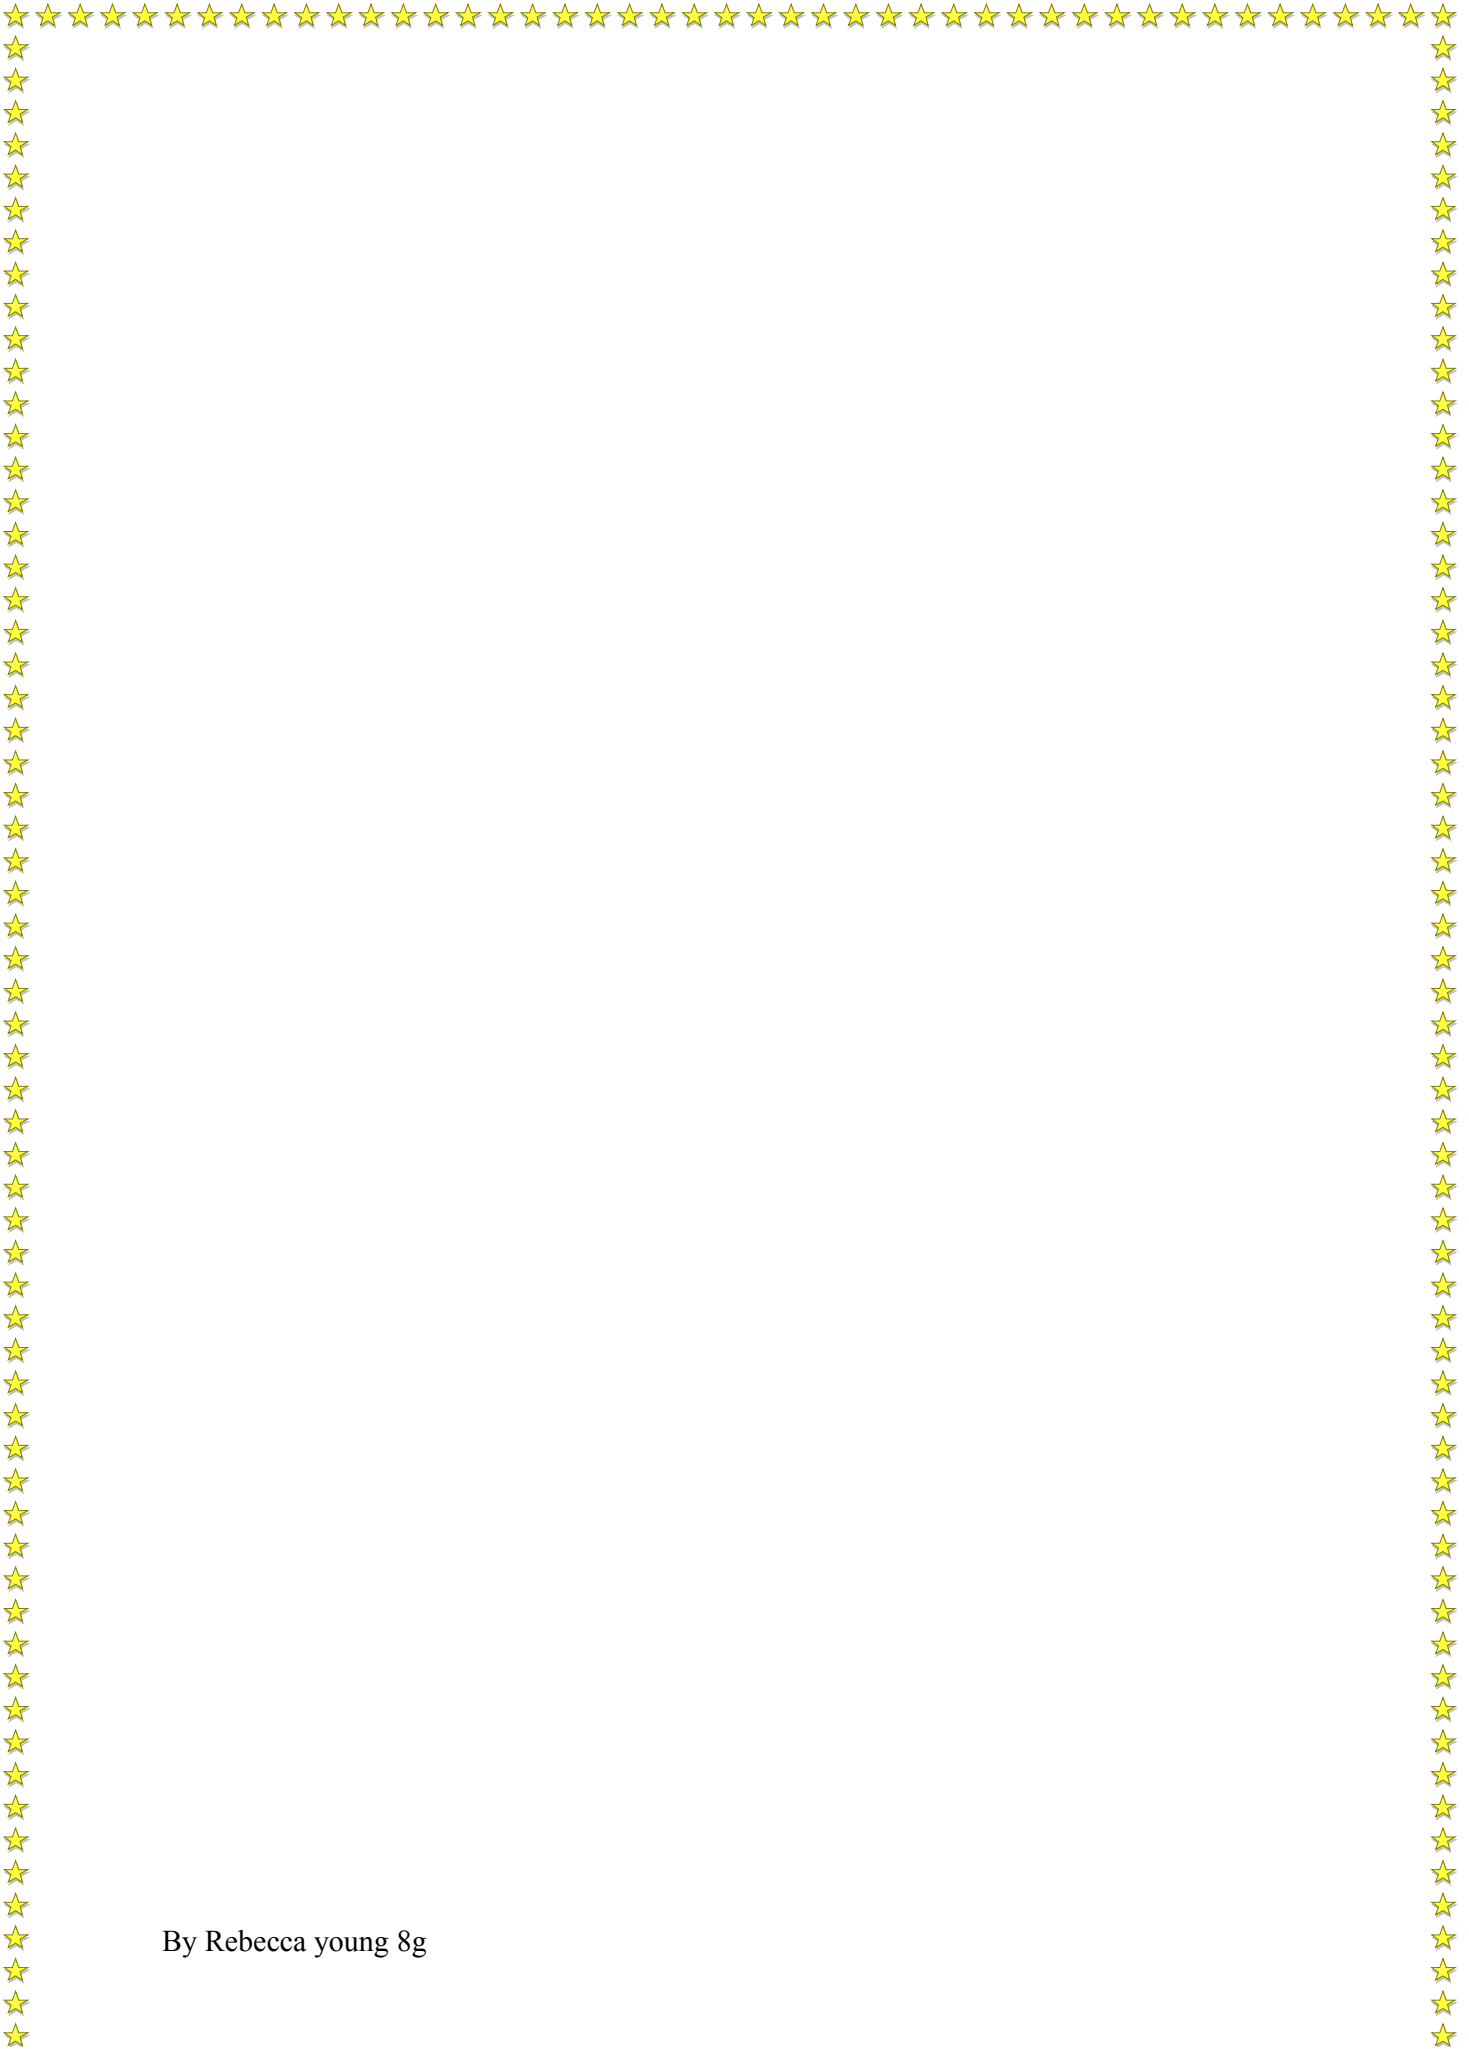

This is Chloe
Chloe taught me about safety on your mobile.

This is the person who tells you about the site. He helps you if your stuck and takes you a tour around the cyber café.
